Once Summer School begins, students will be able attend tutoring with their instructor by entering through the West Wing entrance during the summer school hours listed above. On or before the first day of Summer School, students will receive an email from their teacher on how to log in and begin their course work. Communication with students will occur via email and phone, if parental permission is granted. Students will be expected to stay on pace with course completion (ie 25% should be completed by June 6<sup>th</sup>, 50% should be completed by June 13<sup>th</sup>, 75% should be completed by June 20<sup>th</sup>, 100% of the course should be completed by June 27<sup>th</sup>). Students who are not keeping pace with course requirements may be required to attend tutoring sessions (in person or via zoom).

\*EOCs: Students enrolled in English II, Algebra I, Algebra II, Government, or Biology will be required to take an EOC.

#### PLEASE NOTE:

- PHYSICAL EDUCATION - If your child is signing up for PE this summer, the class is held from 7:30am-11:00am on each of the dates listed above. To earn PE credit your child must be present 17 of the 19 attendance days. There will be no make-up sessions.
